# Department of Natural Resources Monthly Metrics Update Submitted July 15, 2016

### **Percent of Dam Inspections Completed by Year**

## Integrated Water Management INSIGHT Webpage Visits by Month, 2016

#### **Notes and Other Important Current Activities**

Data on dam inspections and dam application approvals represent year to date values. Surface water application approval data are reported in monthly values.

New metric tracks usage of NeDNR's publicly available scientific data and modeling tools.

### Integrated Management Plans In Effect as of July 15, 2016
